Dear Ray:

I think you have made a wise decision to stay with the work there. I believe you are having a great ministry, even though at times it is difficult for you to see it. Keep opening your life up to the work and power of God and I know great things can be accomplished.

Please continue to remember us in your prayers. We are deeply committed to what needs to happen here at Highland. It will happen, however, only if we allow God to work His way and will. This is why your prayers are so desperately needed.

Thank you so much for taking the time to write. I regret that we didn't get to see you during our last visit to Little Rock. I look forward to "that some future time."

Your brother,

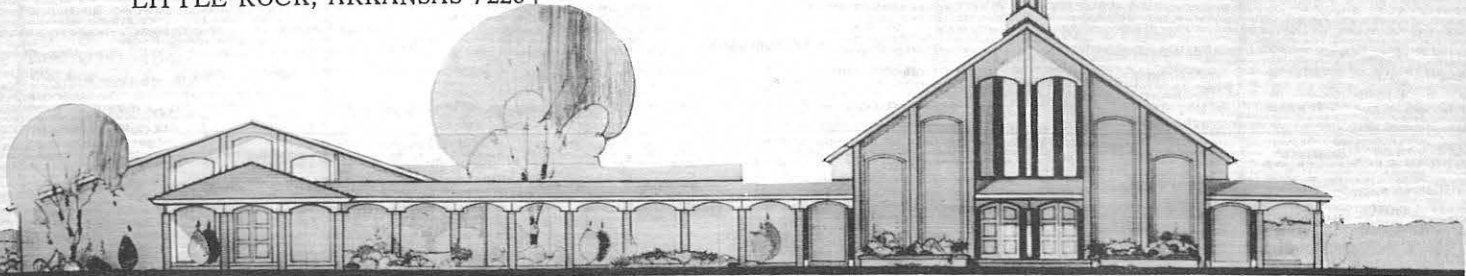

John Allen Chalk

Dear John:

Forgive me for not writing before now. Please know that I prayed for you after I learned of your decision to work with Highland, that His Spirit will work through you there in a great and effective way. I really feel that you have more of Christ to offer from the Highland pulpit, than anyone I know. I am glad for you that you made that decision.

The problem of intergration we talked about, and my staying here, has quieted. At least, we have decided to stay and keep "quite influence" firm for this need.

Marv Steffins called me from the airport yesterday. He said you and Sue were through town and tried to get in touch with us. Thank you for that - we were on vacation in Missouri for two weeks. Man, did we enjoy it!! Please call the next time you are through.

God bless you my Brother,

Ray
