Dear Nathaniel:

Thank you for writing and for your kind expressions. I still remember with much pleasure the visit to your country and the kindness of the people there.

I have been very busy since returning home, even to taking on a new job. I have decided to remain in Abilene, Texas to work as the full-time minister for the Highland Church of Christ, the church which sponsors the Herald of Truth radio programs.

I am sorry to say that we do not have any funds available for your requests. I would encourage you to counsel with brother Paul Williams who is studying with you. I know he is interested in your school conditions as well as your learning God's word. I pray that God will bless him, and all of you who are enrolled in the Bible school work.

Sincerely,

John Allen Chalk

Yelo, but we
Dear Mr. Chalk, ^{have no funds, encourage him to see Morrison, Liberia Paul Williams - give Paul's address}

With much happiness, I take the opportunity to extend to you my profoundest greetings to you on behalf of my living as I stated to you before you left Liberia.

I am 16 years of age, slim, bright & Bassa by tribe. For an vivid understanding, please consult with Mr. William a minister of our new congregation in Liberia.

During the period of your campaign in Liberia, I have talked with you about this matter containing about my living especially my school condition. But however, I was told by you to remind you after your departure to the States. Hope you do this for me in the name of our Lord Jesus Christ.

For your information, I am fully a member of this new congregation. We are to take our entrance examination for the Bible College due this Friday the 18th of July. Hope you pray that everybody be successful.
