Dear Archie:

I would like nothing better than to meet with you and other people interested in Action. Jimmie's ministry through Action must be continued, if at all possible, even beyond his own beautiful lifetime.

Anything I can do to make Action a more effective publication now, in the days to come, I will be happy to do so. I like the idea of the meeting in Abilene during the Lectureship. I look forward to meeting with you and other members of the board at any designated time.

Fraternally,

John Allen Chalk

Abilene, Texas

Dear John Allen:

I have had several meetings with Jimmy about the future of "Action" and the "Miss A Meal Program" and I have suggested to him how wonderful it would be if all of us who represent this great program could be together and discuss the future of "Action", which in my judgement will mean so much to literally thousands of lost souls. Therefore, I am writing to each of you to invite you to attend a meeting of the entire Board of "Action" in Abilene, Texas, during the coming lectureship the latter part of February.

I would be delighted to have both you and your wife as my guests, either at breakfast, luncheon or dinner meeting. Would you please let me know.

Sincerely,

A handwritten signature in blue ink, appearing to read "Archie W. Luper".
