Dear brother Cobb:

In looking through my commitments for the rest of 1969, I found a letter from you regarding a weekend in September—the 27th and 28th—and the possibility of additional dates for a "Training for Service" series.

Because of a change in my plans for the next several years, I am having to make request for cancellation of my out-of-town commitments. Beginning August 1, this year, I have accepted the preaching ministry for the Highland church here in Abilene. I will be deeply appreciative if you will consider this matter and release me from this September commitment in Springfield. I realize I had already asked for release from a full week's effort with you, and made plans for this weekend meeting, and I had looked forward to being with all of the brethren there. However, since accepting this full-time work with the Highland church, it will be necessary for me to be here on weekends also. I thank you for your consideration and will appreciate hearing from you in the near future. May God bless all of you.

Fraternally yours,

John Allen Chalk

Dear bro. Chalk:  

This is to confirm the suggested dates of Sept 27th and 28th with the National & High congregation of Springfield for the year 1969.  

Also there is a remote possibility of four of the congregations of the city commencing a "Training for Service" series, commencing on the following night, sponsored by our congregation. If this should develop, we would like for you to stay for the opening service, as key-note speaker, if you could see fit to so do.  

Sincerely yours,

Dear brother Cobb:

Thank you so much for the very kind way in which the brethren there have considered my request for cancellation of our 1969 gospel meeting. I am thrilled to know that they would like for me to proceed with plans for a week-end effort. As it now stands, I would like to suggest all day Saturday and Sunday, September 27 and 28. I cannot commit Friday night at this point but may be able to later if necessary.

My suggestions would include a special youth rally on Saturday and an open service for all on Saturday night, with special services all day Sunday. Any other special arrangements and drives that the people there would like to plan would be fine with me.

I will look forward to your acceptance of this date or a counter-proposal as you please.

Fraternally yours,

Dear Bro. Chalk:

I make reply to your letter of June 4, in regard to your working with us in a gospel meeting Sept 22-28, 1969.

We are somewhat disappointed, but do recognize your heavy schedule of work, so we do release you from the meeting.

However, we would appreciate you being with us in a week-end meeting, as you suggested.

At this time, either week end of the week planned for the meeting would be acceptable.

May we hear from you.

Brotherly

Wayne D. Cobb
