Dear Wesley:

I wonder if it would be possible for you to get a copy of John Warrick Montgomery's Damned Through the Church, published by Bethany Fellowship, and review it for our Campus Evangelism Book Review Service? The book costs \$2.95 and can be ordered through your local Book Dealer. If I had a review copy of it here I would send it along to you. Unfortunately, that isn't possible at this time.

I do think the book sounds like the kind of thing that many of our people would want to know about. I believe you are the man ~~to~~ do this particular review. If you could get the book and give me a review within the next thirty days, it would really be a big help.

Thanks, Wes, for your review of Caldwell's Deep South. I am not attempting to keep you ^{on} a monthly schedule because I do remember your original response to my request. However, I believe the book I have asked you to review is worthy of the kind of insight you could especially give it. Thanks again for the Deep South. It is a stimulating review.

Your brother,
