Dear Teresa and Jim:

By the time you receive this letter you will be man and wife, God willing. I appreciated so much your thinking of us and sending us an invitation to the wedding. It is thrilling to think of what genuine, Christian love can mean. When I look at my life with Sue, there is no way to adequately talk about what love means. There is so much purpose and power and assurance built into that relationship God has given us, that words would cheapen it. I know you will find the same thing to be true.

We continue to look for you in Abilene. My last report indicates that you will be here this fall. I am praying that you will find a ministry here in the city that will truly be God's will for you. Let me know of any way that I can be of help. We continue to pray for the effectiveness of your Christian witness, the depth of your love for each other, and the blessing of God's continued union on you.

Your brother,

John Allen Chalk
