Dear Brother and Sister Geer:

It was a pleasure becoming acquainted with you this past weekend. I was happy to have a small part in Beth's wedding. She is a wonderful girl who will make Jerry a very fine Christian wife. I am praying for their marriage to be a very happy one and believe that it will be so. All of the Jennings are fine people. I believe Jerry and Beth will have a good marriage. I will do everything I can to encourage them during the time they are with us in Abilene.

I deeply regretted to hear the reports regarding Chuck Lucas. I just finished reading that afternoon at my home a report of Chuck's work at the University of Florida showing that forty-one students have been baptized into Christ during the spring semester. I also know Brother Whitehead and Brother Bartley well, the elders of the congregation. I believe that this church is a strong church and believe Chuck is as sound a preacher and teacher as I know in our brotherhood. There have been some unfortunate things being circulated by brethren who do not understand or appreciate Chuck's success in reaching college students. Most of us preachers are jealous of those who can have and do have a successful ministry with young people. I hope you will put to rest these false reports or if you are not yet satisfied about them that you will write directly to Chuck regarding it. I am concerned for him, not only because he is my brother in ~~Christ~~ but he is also the husband of my wife's sister. *Christ*

Thank you again for the opportunity to be with you this past weekend. I pray that your trip home was without incident. You will be receiving July tapes under separate cover and will be billed directly for them by Bara Sound Services, the people who tape orders for Sunday sermons.

Featernally yours,

John Allen Chalk
