Dear brother and sister Wilson:

I thoroughly enjoyed getting to visit with Kenneth during the recent National Youth Conference. During one of our conversations I personally invited Kenny to bring all of you to Abilene for a week-end visit with the Chalks. Sue and I would love having you come on either Saturday, September 19, or Saturday, October 10. On both of those Saturday evenings at 7:30, Abilene Christian College will be playing a football game. The September 19 game is against East Texas State and the October 10 game is against Eastern New Mexico University. We would like for you to drive down on Saturday, spend Saturday night and as long as you can stay Sunday with us. We would like to have you as our guest at the Sunday morning services at the Highland church on either of those dates.

This will be a great opportunity for our two families to become better acquainted. It would also give you a good opportunity to get out of town for a change-of-pace week-end that would refresh you. We will look forward to hearing from you if you can make one of these dates, and give you further instructions about how to get to our house coming into Abilene from Oklahoma City.

It will be great getting to be with Kenneth again and to deepen our acquaintance.

Fraternally yours,

John Allen Chalk
