Dear Mr. Deckard:

In the near future, or possibly even by now, you will be hearing from Willard B. Bowe, Jr. of Miami, Florida. Mr. Bowe is a personal friend of mine whom I consider a very effective community organizer and leader. He has had unusual experience for a man of his age in working with community programs, and is a man of high integrity and unusual insight.

Mr. Bowe wants to move to Abilene in order for his wife, Coretha, to finish her college education at Abilene Christian College. If I can be of any assistance in your evaluation of Mr. Bowe for a possible position with the Community Action Program, or if you know of some other area of service that Mr. Bowe could fill while his wife goes to school, I would be glad to talk to you in person or by phone at your convenience.

Sincerely yours,

John Allen Chalk
