Dear John:

Thank you so much for serving as one of our reviewers for our new Campus Evangelism Service. The book you suggested, The Church in the Way, will be an excellent book with which to begin. I will look forward to having your review of it by February 1. It will be a good review for our first issue.

Other books along this line would be extremely helpful. There is so much good material on the theology of the church that our brethren need exposure to. Thank you so much for helping in this area.

Feel free to review other books that you have read in recent months that might not be in the specific area in which your name is listed. Books you have already read and out of which you gained much and which you also believe would be helpful to the kind of people mentioned in our prospectus would be welcomed.

~~Thank you for your help.~~

Corrected

Thank you for your help.

Fraternally yours,

John Allen Chalk
