Los Angeles, California

Dear Dr. White:

Thank you for the gracious way you responded to Ron Phillips and to me. Our recent visit to Los Angeles was stimulating, in which the challenge of the Pepperdine School of Law became even clearer to me. Thank you for the time you took and the honest forthright way you related to the administrative and academic challenges which the Law School offers.

Ron and I will be giving our most critical thought to this challenge. I have indicated to Bill and to Dr. Young that I will be able to come to some firm decision by May 13. Your prayerful thought regarding this challenge will be deeply appreciated. Any further information that comes to light should be sent on to both Ron and me.

Thank you so much for all you did to make our visit such a pleasant one. It was enjoyable to spend some time with your wife on Monday evening, and to have shared your gracious hospitality.

Fraternally,

John Allen Chalk
