Dear Inspector Caldwell:

I have received your letter of February 23. Thank you so much for speaking directly to the matters raised by our Subcommittee unit, Administration Justice-Law Enforcement in our recent hearings.

I repeat my invitation to you and earnestly hope that when we do determine a date for our next hearings that you will make the time to appear before our committee and to testify regarding the emphasis and direction of the Houston Police Department in the area of Human Relations.

Again I thank you for your recent telephone call. I can assure you of my personal attempts within the Committee's activities to be totally open, fair and honest with all concerned.

Sincerely yours,
