Dear David:

I regret that I haven't acknowledged "The Trial of Jesus Christ from a Legal Viewpoint" that you sent some time late last year. I thoroughly enjoyed the account and would like to know who first created it. It is an excellent overview of Jesus' trial and is a very valuable research tool that I have added to my files.

I trust that 1970 will bring a great blessing to your life and to that of your family. We think of you often and appreciate so much our brief times together. Thank you again for remembering me with such a helpful article.

Your brother,

John Allen Chalk
