1214 Ridgewood Drive  
Killeen, Texas

Dear Bobby, Frank and family:

I was thrilled to hear from you and to know that you are in our part of the country. If you ever have an opportunity to get out this way for a visit, we would love to have you come see us.

I am glad to know of your present thinking and planning. I can see why Frank might think this a good time to make a change in his career direction. I appreciate so much the service he has rendered and I respect all of you very deeply.

I recommend that you write the Somerville, New Jersey congregation, the Stanford, Connecticut congregation, and the Burlington, Massachusetts congregation. All three of these are recent Exodus efforts that I know personally. You will find the people in these groups exciting Christians who would make a warm place for you in their lives and fellowship. I have given the addresses of these congregations with this letter. Write and ask them to send you material about their parts of the country, employment, and any other questions you want to ask.

I will keep my eyes open for other possibilities and keep you informed of anything else. Let me know if I can be of further help.

Your brother,

John Allen Chalk
