Dear Tom:

Thank you so much for your letter of November 13, 1969 from Hong Kong. I appreciated so much your thoughtfulness and was happy to hear from you.

I regret that I didn't get to see you before you left. Charlie Mosman and I are both very busy men, At least we think we are! Let me know anytime you are coming through Abilene -- it will be a pleasure to see you.

I was thrilled to hear of some of your plans. It will be great if you can return to Hong Kong as a missionary. I pray that your family is in good health and you will be able to meaningfully relate them to your task there. I appreciate you and send you my continued best wishes.

Your brother,

John Allen Chalk

Dear John Allen;

Sitting here in the very King Hotel drinking
cup of coffee and happen, for some reason, to
be thinking about you. Thought I would just
write.

Tried to call you several times the past
1 month, but could never find you.

I came over here about a week ago
buy ladies fashions for the company I
work for and will probably be here another
week.

When it seem you since you decided
to get married

thankful you make the decision to
stay.

Just laid the ground work for
starting a company in Hong Kong. God
willing I will be moving back here
one day.

also tried several times to phone
charlie moorman, but like you he is
never in. would write him a note, but
this is my last programme.

I suppose a lot has happened to
us both since our last meeting. I
am thinking strongly about returning
see next year as a missionary, if
the company I work for does not in
some way send me.

Hope things are well with you
and yours. Pray for us.

In love

Tom June
