Dear Ray:

You should be receiving soon the two extra books you ordered. Your \$40 more than covered the postage and the wholesale costs on the books. Thank you so much for ordering these. It ought to encourage more talk about the book and in turn generate some more sales.

I appreciated your kind remark about it. I do hope that it will make some contribution to the lives of those who read it carefully.

Unfortunately, I will not be in Little Rock any time this month. I had planned to speak at Searcy in a retreat for students on Friday night, March 20, but my elders would not allow me to leave that early. I will be flying over Little Rock on my way to New York City on Saturday, March 21, to begin a meeting with the Manhattan church on March 22. I still have hopes that Sue will be able to go with me.

We are looking for you anytime you can get away.

Your brother,

John Allen Chalk

Dear John Allen:

I received your books. Have not yet had a chance to fully explore my copy, but have done some reading and feel that you have even surpassed yourself.

I find that I need two more of your books, one to be autographed for E. J. Dismuke and one for Larry Roberts. I am not sure that I have spelled Dismuke correctly, but their names are on the keynote, so you can look it up.

Enclosed you will find my check for \$40.00 to pay for the books I have received, and for the other two, and I hope there is enough for postage.

Sara tells me that you are to be in Little Rock sometime this month. If this be so, let me know when, so we won't be away.

Will be looking to hear from you.

Sincerely,

Ray Jouett, M. D.
