Dear Myron:

Thank you so much for being the gracious, sensitive host that you were during our meeting last week in Franklin. I thoroughly enjoyed the opportunity of associating with you and appreciated your genuine and personal concern for me.

My experiences during the week with some of the Franklin citizens were extremely enlightening and encouraging. Jim Butler attended the services with his wife Saturday night, as you will remember, and then returned again on Sunday evening. Peggy Yates told Margaret Butler on Sunday afternoon that she was almost baptized that morning but wasn't sure how it would be understood. You might find an opportunity to talk with Peggy about this. Margaret also indicated to me that she definitely intended to be baptized sometime in the future. We had a very stimulating visit with Margaret and Jim Butler on Saturday evening in their home. I am convinced that the Lord is guiding truth seekers in Franklin and that many of them will come to a New Testament faith in the days ahead.

Please give my very best regards to your family. It was good seeing Lois again. I came to respect Karen so much during the week in Franklin.

I send you my personal gratitude and best wishes. It was a real pleasure being with you.

Fraternally yours,

John Allen Chalk

Dear John Allen,

We are looking forward to your meeting here at the Fourth Avenue Church May 4-10. Please send me a glossy print and a biographical sketch of you. If you prefer announcing your subjects please send these also. Any suggestions that you have for this meeting will be prayerfully considered.
