Dear Mrs. Cope:

I have just shared your letter with Stanley Shipp. He remembers your daughter well, and assures me that he will be contacting her in the near future.

We pray that out of this contact will come for her a much deeper involvement in the work of the church.

Thank you so much for giving us an opportunity to work for her.

Sincerely,

John Allen Chalk

Dear Brother Chalk:

I have just finished reading the current issue of "Go". I wish I were a college student. What an exciting challenge!

I have a daughter in Abilene. She is working full time at the telephone company, and taking two subjects at ACC. She is a Junior, having gone 1 1/2 semesters at ACC before dropping out for one year. Her name is Jaynie Cape, and she lives at 896 Cypress.

Since I know that you are involved in campus evangelism I am asking a favor of you. Will you call someone of the young people involved on campus and have them contact her. She was very much involved in work at Big Land when attending ACC before. She also attended a campaign for Christ with Stanley Skipp in ~~Germany~~ France the summer after her freshman year. But she has seemed to

to lose interest in spiritual matters.  
So I am concerned for her sake, but  
I also know if that interest could  
be revived that she would make  
a valuable worker for the Lord.

May God's richest blessings be  
with you in your work for Him.

Yours in Christ,  
Mrs. Russell Cope.
