Dear Miss Perry:

Thank you for your kind note I recently received. Unfortunately, not every one feels as you do. This is all the more reason why, as your note suggests, all responsible citizens must show a deeper concern and involvement in the struggle for full and equal rights for all men.

I am involved because of my commitment to Jesus Christ. He made no discrimination among men. He revealed fully and clearly God's will for all men. It is out of my devotion to the view of all men that He gives me that I participate in efforts like the Governor's Committee on Human Relations.

Thank you for your encouragement. It was so good to get your note.

Sincerely yours,

John Allen Chalk

Dear Rev. Chalk,

I admire your stand in expressing
our convictions before the Governor's
committee. The minority groups
I support from church people
in fact - from all responsible
citizens in their struggle for
justice. It is so encouraging that
we are involved in this area
of human relationships.

Sincerely,
Sinda Kay Perry
