Dear Lee:

I will enjoy being with all of you there at Michigan State. At this point I do not know anything about where I will stay or how much free time I will have. I know I get in just before time to speak on Friday evening and have to leave early Saturday morning. Please do not plan anything special. I doubt if we will have any time to work anything out.

Thanks very much for thinking of me. I would like nothing better than to spend some time with all of you. I do hope to see you during the short stay there.

Fraternally yours,

John Allen Chalk

February 19, 1970:

Dear John,

Brother, Donnie and I found out recently that the MCC TAB group does have you committed to be here the weekend of March 27. We don't know how in the world they got you, but we are really glad you are going to be in Michigan. (Hey, we heard something about a questionnaire Kimberly Downs sent you. We told them they had better check you out! Ha.)

Why don't you try to come an extra day or so? We would really like to have you with us some and, if possible, it would be great for you to speak to the new university congregation and/or the students. The church has regular meetings in the Alumni Memorial Chapel on campus on Thursday nights, and the kids have regular soul talk-devotionals at 6:30 on Friday nights. We could work out anything, though. Our kids will come together at midnight, if necessary. At any rate why don't you plan on spending the nights with Donnie and Gloria or one of us here. We are all anxious to hear how things are going at Highland. We love you, brother!

In Jesus,

Lee
