Dear Judy:

Thank you for letting me have the opportunity of recommending you. I do hope the position you want does become available. I will be happy to promptly answer any requests or forms that come to me as a result of your applications.

Thanks for the suggestion that I write Marsha. I will be glad to do something to encourage her faith and witness. May God richly bless you as you make a vocational change.

Your brother,

John Allen Chalk

Dear John Allen —

Hi there Brother! I hope you are fine! I'm writing to ask a hospitable favor — one that I've already taken you upon. ^(smile) I used you for a reference in applying for some teaching positions for this fall. I do hope you don't mind!

I also want to say that I'll just never forget the Retreat. The results of that are still coming. I know you know Marsha was baptized — well, she is really tremendous. She continues to witness for Christ. She has her faith in Him Praise His Name!

John Allen she is staying here in Sulbrock this summer — because her family — well — she wouldn't be able to bear to go home. It's too heavy.

If you could get a chance to write her ²
a word of encouragement - it would mean
so much. She's not depressed or anything
but when your family isn't backing you -
it sure means a lot for someone to.
She's working or will work at McDonald's
and will live off campus - probably making
her rent barely. If you can write her - write
her in ^{to} of the Bible Chair.

Well, I wasn't really meaning to ask
you this last favor.

In enclosing a deal, I found in
some magazine - hope you enjoy it.
like this stationery? - I got this from a
Methodist magazine. Yeh! Methodist - (smile)
