Dear Mrs. Brazeal:

I do not have the direct contacts in Nashville that I once had. I do know several people, however, in the recording industry who work out of Nashville. I would do everything within my power to see that your tape got into the right hands, but I could not guarantee that this would happen.

If you feel that this is your best hope I will be happy to assist you.

I send you my every concern for your situation and appreciate the burdens you must be bearing as you support yourself and your children. May God bless all of you is my prayer.

Sincerely yours,

John Allen Chalk

Dear Mr. Chalk,

I am writing you this letter in the hope you will recall an offer you made a few years ago.

My husband and I met you at the Alendale church about four years ago. In conversation my husband mentioned he had written some songs and was not having any luck getting them presented to the right people. You offered to send tape of the songs to a trusted person in Rockville, if we wished to mail the tape to you. The purpose of this letter is to ask for your help in this matter.

Circumstances have placed me in the position of being the main support for myself and my three children. I am also a songwriter and am interested in doing what I can in this field.

My songs are not copyrighted and I do not
now have any one in Calif. to submit them to. I
could like to put them on tape and send them
you if possible.

If you can help me in this way please
write and let me know. If there is anything
I should send along with the tapes, such as a
picture, ect, I would appreciate your informing
me of this.

Thank you for your kind offer,

Sincerely,

Jorita Brazel
