Dear Jim:

I appreciated the financial report on Texans Who Care. I can understand the financial plight and personally want to contribute. My check is enclosed.

I will get with Dr. John Stevens and other people here in the city in the near future, and see what we can do about raising some additional funds for you.

Keep me informed as the need changes.

Sincerely yours,

John Allen Chalk

Dear John:

I have been anxious for you to see the current figures on our campaign to oppose the legalization of liquor-by-the-drink. Although we won in 200 of the 254 counties, we lost the overall campaign by a vote of approximately 51.4% for liquor-by-the-drink to 48.6% against. Now, since the campaign is over, it is doubly difficult to raise funds to pay for it.

The enclosed statements will indicate to you our plight.

We hope that it will be possible for you to find from some source additional money for Texans Who Care. Printers await payment. Some of those who worked the hardest on the campaign, like Mrs. Ornish, have not yet been paid. The Christian Life Commission of Texas Baptists and TANE will suffer serious limitations in their programs unless we somehow raise additional funds to offset the $14,727 deficit.

Whatever help you can give, large or small, will be important.

Sincerely,

James M. Dunn
