Dear Mrs. Ellington:

Thank you for your kind letter. I appreciate so much your kind remarks regarding my appearance on "Capitol Eye." I hope that both the Governor's Committee activities and appearances such as the one on "Capitol Eye" will further deepen the concern of all the citizens of our state for the burdens of one another.

Your concern and involvement in your city is something for which I am very grateful. Thank you for your personal encouragement.

Sincerely yours,

John Allen Chalk

Dear Mr. Chalk,

I have just heard the TV program on which you appeared to-night. I want to tell you how much I admired the way you answered all the questions put to you. You were well informed, sincere, poised and you really gave me "a lift". I'm so glad to know there are people like you and your Committee who are not defeatists, and are earnestly seeking ways to better bad conditions.

I have not lost faith in our young people. I wish I could tell you the evidence I have that the young, negroes, Mexican Americans and Anglos can work to gether - There just aren't enough sincere, sensitive and dedicated older people to guide and help them. More power to you and your Committee to find ways and means of educating our citizenry!

Sincerely,

Elizabeth R Ellington
