Dear Mrs. Summerville:

Thank you for your recent question regarding Camp Shiloh. Yes, I have not only worked with Herald of Truth but I am now the minister for the Highland Church here in Abilene. I did recently write a letter on behalf of Camp Shiloh because after careful examination of what Shiloh believes and is attempting to do I came to the conclusion that they were worthy of the help of my brothers and sisters around the country.

No, Oral Roberts is not associated with Camp Shiloh. He was a personal friend of Clinton Davidson who gave Camp Shiloh a great deal of money and land. Brother Davidson is now deceased and any direct connection between Camp Shiloh and Oral Roberts is non-existent.

I am glad to answer this question and appreciate your spirit in writing to inquire.

Fraternally yours,

John Allen Chalk

Dear Brethren:

Enclosed is a check for \$8.00. I wish it could be for more.

I have a question that you can perhaps answer. We recently received a letter from John Allen Chalk, who has worked with Herald of Truth, asking for support for Camp Shiloh. We have contributed a little to this camp in the past, but have heard rumors that Oral Roberts is assisting them now. We would like to know whether this is true or not.

May the good Lord bless you in your good work.

Sincerely,

H. R. Summerville
