Dear brother Curtis:

Unfortunately, I will not be able to work with you in a Gospel meeting in 1972. I would like nothing better than getting to know you and the church there better. It sounds like you have a great opportunity in that you are making unusual progress.

I am not scheduling any more meetings at the present time. My schedule runs so far into the future that it is almost embarrassing, and certainly not very practical when it comes to scheduling a meeting with any certainty.

I'm sure you will find a very effective gospel preacher who can do what you want done there next year. Please express my special thanks to your elders and my regrets at not being able to come.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk,

On behalf of the Elders of the Livermore Church of Christ, I am writing to find out if you could hold us a Gospel Meeting sometime in 1972.

The city of Livermore now has a population of over 30,000 and is growing. The church is about 200 members with a building that will seat approximately 400. As you can see we have much work to do in reaching the people of our city.

It is our prayerful hope that you will be able to come for a week in 1972, and help us in reaching the lost of our city.

We relize you have many requests and for this reason we would not be too disappointed if you were not able to come in 1972. However if you could work a meeting in some furture year, we would appreciate hearing from you.

In Christian Service,

Frank B. Curtis
