Dear Dot and Marvin:

Thank you for taking the time to write your letter of encouragement. I was inspired by it and appreciated so much the kindness it demonstrated. One does often lose sight of what the real goal is in the attempts to answer all of the false and malicious charges that get circulated. Your letter helped me remember the single vision that every Christian must have of the Lord Jesus Christ and His glorification.

Art Haddox gives me great reports on the work being done by the East Tulsa Congregation. I pray that God will give all of you the necessary strength and encouragement needed for that ministry. The fellowship that the Highland church has had with your family through the years has been a great source of pleasure and encouragement to many people here. May God continue to richly use all of you.

Fraternally yours,

John Allen Chalk

Dear John:

This letter of encouragement and expression of confidence is long overdue. I had the joy of being with Art Haddox at the World Missions Forum at OCC last week, and it made me remember that I planned to write you.

Good brother, we are all so often short of praise, and so quick to criticize and condemn. I thank God for the work you are doing for Jesus Christ. I appreciate your motives and aims, and know that God is going to keep right on using you mightily in His great cause. So for what it's worth, here is one more brother, among thousands, who is behind you 100% as you serve Jesus.

God speed to all our loved ones at Highland. You folks will always have a special place in our hearts. Phil.1:3.

Yours and His,

Marvin & Dot Phillips
