Dear brother Gillespie:

I am pleased and honored by your recent invitation to be a part of your Restoration Preaching Record Library. I believe that you do have an attractive item that should draw considerable interest around the country. Please be assured of my willingness to cooperate in any way with this venture.

We live in a demanding time when all adherents to New Testament Christianity need a much greater unity of effort. If this will emphasize our common task and our common message, I am sure God can use it.

Your terms regarding the records are acceptable to me. My tentative suggestions for subjects are "God's Ecumenical Plan" and "A Man's Life". I am open, however, to further suggestions from you in this area.

I send you my best wishes and await your further instructions.

Fraternally yours,

John Allen Chalk
