It was a genuine **pleasure** to become acquainted with you during the Lake Geneva Encampment some weeks ago. I was happy to learn of your great involvement in the work of the church in Mississippi. I wanted you to know that I remembered very vividly meeting you and was impressed by the great faith and zeal which you demonstrated.

Thank for your prayer support and continuing interest in our work with Herald of Truth. It is only because of special friends who will support us financially and with their prayers that this great work is able to continue and expand. Any help you can give in any way will be appreciated as you talk with brethren around the country.

I hope our paths will cross many times in the years ahead as we work together in the Kingdom of God.

Dear John:

I hope you don't mind if I call you John. I hope you are all settled in your new home. I am sending some colouring books for the children in four separate parcels, so I hope they arrive at the same time.

I am enclosing a check for \$3.50, for another copy of your book.

Brother Murray Nammond, the minister at Osborne Street Church, has been ill and expressed a desire for a copy, so I would like to give him one. You can send it to my address, but I was wondering if you would autograph it for him.

I hope to meet you one of these days and thank you.

In Christian fellowship,
Grace M. Green
