Dear Jesse:

Thank you so much for your contribution to the work of this congregation. With a weekly budget set at \$2,115, every contribution helps. Your check will be placed in the regular contribution this coming week and will assist many excellent works now being done.

Unfortunately, I have almost lost contact with Jean Denny. She has not attended our services for some weeks. I have met with her within the last month but have found her almost completely unresponsive. It is my judgment that this lack of interest began with my taking her to two Nashville specialists who, after thorough examinations, pronounced her headaches completely psychological and unnecessary. I am afraid Jean realized that her little game was up and that she would now have to help herself if she was to get any help.

I will appreciate your keeping this judgment confidential. I do hope and pray that she will return to the church and allow God to change her life and to make her into the person she can become.

We want to stay in touch with you and appreciate so much your writing. My address after July 1 will be 809 Byrd Drive, Abilene, Texas. I send you my best wishes and prayers.

Your brother in Christ,

John Allen Chalk
