Mr. J. D. Bales
Harding College
Searcy, Arkansas

Dear Dr. Bales:

Thank you so much for your continuing interest in my study of the "God is dead" movement. Unfortunately, I have not had the necessary time to digest primary material. I have read carefully the manuscript of your book and have found it excellent. We are in the process of trying to decide something in reference to the use of it in our Herald of Truth program. I am in the process of moving to Abilene by July 5 and before that time will have little occasion to really work on this matter. I would like to keep your manuscript for at least three more weeks; however, if you need it, I will be happy to send it immediately. You may write me here at Cookeville until July 1, after that in care of the Highland Church.

I am returning the charts you sent me. I have made copies of them for my own use. Thank you for your assistance.

Fraternally yours,

John Allen Chalk
