Dear Brother Walker:

It was a pleasure to be with you during the recent youth forum at Chapel Avenue. I know that you lent a great deal of influence and encouragement to this event. It was a pleasure to be with you briefly following the meeting.

I appreciated your perceptive remarks following my presentation. I feel strongly about the things that I attempted to communicate to the young people. I do hope that I was able to leave them with something sound and constructive--something that would encourage them in their pursuit of God's truth for their lives.

I hear many good things of your ministry there. The James Batts family keeps us informed as to the many good things occurring at Chapel Avenue. Accept my good wishes and prayers for your continued ministry there.

Fraternally yours,

John Allen Chalk
