Rev. John Allen Chalk
521 South Jefferson
Cookeville, Tennessee 38501

Dear Reverend Chalk:

Thank you very much for your letter of June 12 concerning our efforts to assist you in securing better telephone service in Cookeville. Be assured that it is our intention to assist in bringing about the best possible service from utilities that this Commission is charged with regulating.

Your calling this to our attention made it possible for us to at least go into action with an effort to see that better service is obtained. That is our intention. We thank you for your cooperation in the matter and ask you to stay in touch with us on any other matter in which we may be of assistance to you.

I appreciate your taking the time to write me a letter concerning the result of our efforts.

Very sincerely,

Z. D. Atkins
