Mr. John Allen Chalk
Highland Church of Christ
Abilene, Texas

Dear John:

I have received your note written from Cleveland, Mississippi, and I note particularly what you said in this note: "I desperately need a secretary and more time in the office. Anything you can do to help will be appreciated."

I heartily agree that you need a wonderful, fine secretary. I think provision is being made now for that. Then, so far as your needing more time in the office, I want to say, "Amen!" You have a full-time job, John, as radio speaker. There is not a person in all the world that has the opportunity to reach human hearts that John Allen Chalk has today because of this radio ministry. I'm not saying here that all meetings and gatherings away from Abilene should be avoided, but I do believe seriously (and I want you to take it as a suggestion) that you need to give more time to this radio work than you have been able to do since you have come with us.

Your brother,

W. F. Cawyer
