Dear John Allen,

Thank you for your good letter of July 21st. I am disturbed, though, as to what happened to the tape that I am so eager to receive. I judge that it was mailed from Cookeville and I thought of writing the church secretary there, but decided it best to report to you first. I am sorry to bother you as busy as you must be with all your new duties but I do hope it can be located.

Mary Ann and children join me in sending regards to all of you.

Sincerely,

*Mrs. Susie B. Agee*  
Mrs. Susie B. Agee

Sylvia

Please take care of this immediately. This lady is not a member of the Church but attended our services on Sunday, June 12, 1966, and heard my lesson on "The Importance of the Family in Child Development."

If this tape has not already been sent to her I hope you will see that it is done the day you receive the copy of this letter.

*John Allen*
