Mr. John Allen Chalk 542 N. Washington Avenue Cookeville, Tennessee 38501

Dear John Allen:

We thank you so much for your willingness to be present and speak at the 1966 Campaign Workshop. We appreciate your excellent coverage of the subject assigned and the fine spirit in which it was presented. We have been especially gratified by the extremely favorable comments received from those who attended. We would be interested in hearing your reaction to the workshop and those lectures which you were permitted to hear. Jimmie Lovell, editor of Action, is also especially interested in your reaction. He would appreciate your writing him a letter at P.O. Box 146, Palos Verdes Estates, California telling him how you feel about the workshop in general, the lectures which you heard, and the general reaction evidenced by those attending. Jimmie intends to present some of these ideas to Action readers.

Thank you again for your assistance in making the workshop a success.

Sincerely,

J. Woody Stovall General Manager
