Mr. John Allen Chalk, Minister
Broad Street Church of Christ
Cookeville, Tennessee

Dear John Allen:

It was a pleasure to have you in Memphis recently and to hear you speak concerning Harding's Expansion Program. You always do an outstanding job.

We are making plans for the eighth annual Mid-South Training for Service Series here in Memphis. The date is March 27-30, and the theme is "Emphasis: People". We would like very much for you to be a part of this program in 1967 and to assist us in working with the college and the young adult teachers. This area has needed considerable stimulation, and we felt like your ability would enable you to do this.

There might be some day time activities, but these plans have not been completed.

Would you please consider this in your schedule, and let us hear from you as soon as possible. May the Lord be with and bless you always in the great work which you are doing.

Your brother in Christ,

Leon Sanderson
