Dear Bro. Chalk:

Your letter of November 17 asking that we consider including "Training for World Evangelism" in our 1967 budget was considered in our last Elders meeting.

At the time your letter was received our budget for 1967 had been completed and published to our people. The amount set aside for mission work has been fully committed, and we are now facing a deficit in this program due to recent decision to sponsor the Television program "Journey to Eternity". Also due to completion of our preschool Building during the first half of next year we are facing a net deficit in excess of $50,000.00 in our total budget for next year.

We note what you said about training our own missionary by paying his tuition, and should such a project develop, we would be happy to take advantage of the opportunity offered through Harding Missions Seminar.

Sincerely,
