Dear John Allen:  

I am enclosing a summary of the meeting of the Campus Evangelism Steering Committee to inform you of the action taken to carry out the recommendations made at the Arlington Seminar. You will also be receiving additional materials in the near future regarding a student meeting to be held in Dallas on December 28-30.  

In order to carry out the plans we have made we must adequately finance our endeavor. I am also enclosing a budget approved by the Steering Committee.  

The program was presented to the elders at Broadway in Lubbock and they accepted the oversight of the Campus Evangelism Program. The Broadway elders have given $250 to support the program and have given Jim Bevis and myself adequate time to devote to the program. All expenditures will be approved by the Broadway elders and Dr. J. B. McCorkle, one of the elders, will sign all checks. Monthly financial reports will be mailed to all contributors.  

We would like to remind you of the pledge made by those in attendance at the Arlington Seminar that each man would give or raise $100 to support this program. We have set up a special College Evangelism Fund and will receive all checks at the Church of Christ Bible Chair, 2406 Broadway, Lubbock, Texas. We are depending on you for your $100 contribution to properly finance our endeavors together.  

Humbly yours,
