Dear Brother Chalk:

It gives us great pleasure to have you as one of our speakers for our Youth Forum this year. The young people who have attended these meetings at Chapel Avenue the past two years have found them to be both stimulating and enlightening. We believe having you on our program will contribute much to making it a highly profitable Forum this year.

We have chosen as your subject, "Truth - Its Impact on the World, Past, Present and Future." The time for you to speak is shown on the attached mimeographed copy of the program. Please note the amount of time allotted and confine your lesson to that time.

Our theme this year is "Impact '66." Your lesson should be built around this theme and presented with that thought in mind.

Should it be necessary for any changes to be made in the time or day for your lesson, etc., please notify us immediately.

We shall look forward to having you with us.

In His name,

Jim Willis
