Mr. John Allen Chalk
Church of Christ
South 5th at Highland
Abilene, Texas

Dear John:

The elders at Lawrence Avenue in Anton have finally determined when they would like you to hold a meeting for them. It took them awhile to believe that you might come in the near future, and finally after two or three meetings came up with two possible dates, either of which will suit them and which I hope will work in well with your plans.

They would like you to come in the fall of 1967, the week of September 17 or the week of September 24. They are thinking in terms of a four day meeting, beginning on Sunday and running through Wednesday. They also would like you to be ready to speak in the Anton High School assembly, probably on Monday.

This group is about to come to life. They have in mind a Campaign for Christ using their own personnel for preaching, song directing, and personal work. Although it's still in the germinal stage it's a marvel to hear them talk that way.

Hope these dates work out well with you.

Respectfully,

James P. Swinney
