Dear Brother Chalk:

I, along with the entire group wish to express our appreciation for your time and efforts spent informing us about "Journey to Eternity". We made our proposal to the elders at a meeting last night and it was unanimously accepted. We plan to show "Journey to Eternity" to the people of Arkansas sometime during June, July or August, depending on the dates when Mid McKnight can come and on the availability of prime TV time. We were in contact with Mid McKnight last night in order to find out our next step toward the showing of "Journey to Eternity".

The film which you left with us was a great aid to our presentation before the elders. This is the reason I have not mailed the film to you before this time. You should receive it in the near future as I mailed it today. If you do not receive it please let me know because it was insured.

We feel that great days are ahead for the Lord's work at Sixth and Izard and in Arkansas. Our thanks to you for telling us about this great teaching aid.

May God be with you in your great work.

Sincerely yours,

James L. Hearn
