Dear Brother Chalk:

The elders of this congregation have asked me to write you concerning a proposed lectureship to be held here April 10-13, 1967. We would like to have you speak to us on the evenings of April 10, and April 11. However, if other evenings within the stated period are open, will you please indicate it. This might facilitate the problem of scheduling. We shall probably wish to schedule early morning lectures to audiences largely composed of highschool-age-youngsters.

It seems to be the consensus that we shall not attempt to assign subjects but to select men whom we believe are aware of the basic problems confronting us, and to ask these men to present their thinking for our consideration.

We sincerely hope you may be able to be with us. As soon as you select your subjects, let us know. We will pay your travel expenses at the rate of 10¢ per mile from Abilene to Roswell and return (this is approximately the same as a round trip by commercial air line) , furnish meals and lodging while in Roswell and a modest addition in appreciation of your services. Others whom we hope to hear during the series are; Dr. W. S. Banowsky of Lubbock and Dr. Anthony Ash of Abilene. If you can spare the additional time, and wish to hear them, we shall be glad to have you continue as our guest.

Sincerely yours,

James H. Sikes
