Dear John Allen:

I appreciate your letter of several days ago and your kind remarks.

We are very happy in our new work at Sunset and feel the burden of the challenge. The work is most promising and we believe the "sky is the limit" as far as the potential is concerned.

The family and I are really enjoying Texas, and we know you and yours will be happy here.

John, I have a new personal work book that will be coming from the press in a couple of weeks. I will send you a copy in a few weeks. If you find any thing to commend please put it in writing and mail it to me.

We are looking forward to many pleasant associations with you in the days ahead.

Yours in Christ,

A handwritten signature in blue ink that reads "Harold".
