Mr. John Allen Chalk
542 N. Washington Ave.
Cookeville, Tenn.

Dear Brother Chalk:

We, the elders of the Highland Street Church of Christ, feel that you might be in a position to assist us due to your wide travel and knowledge of the brotherhood. The position of Bible Chair director at Memphis State University will be vacant as of July 15, 1966. The present director of this work, Brother Dale Castleman, will be leaving at that time to go to New Jersey where he will be preaching and continuing his graduate study in religion. We hope to have someone employed to fill this position by September 1.

The man for this work must have a master's degree in Bible and be experienced in working with young people. We prefer that he be married.

We would certainly receive with gratitude your recommendations of qualified men for this position.

Sincerely yours,

George Sanders
