Dear John Allen:

Please plan to be at the White Station Church and preach for the two morning services and the evening service on July 10. I am pleased to hear that you have been invited to participate in the program at Bethany College. Much good can be accomplished, I am sure. We will be praying for the best possible results.

At the present time we are about half way through our Fourth Annual Summer Seminar in Missions. It is an extremely encouraging program. Each year seems to get much better and the attendance is larger. We will expect you to speak here on the Monday night following the July 10 meeting in Memphis at the White Station Church. Dr. Donald McGavran has been lecturing to us this week and he has made a very profound impression upon the participants in our Seminar. It appears that our decision to invite him to participate in this program was a wise one.

We are looking forward to seeing you soon.

In His service,

George Gurganus
