Mr. John Allen Chalk
809 Byrd Street
Abilene, Texas

Dear John Allen:

We need to get the letter in the mail just as quickly as possible. I am enclosing a copy of a letter that I received from Herbert Crowson. He is an elder of the Mayfair Church in Huntsville, Alabama, that is doing such a big work in Thailand. This letter was extremely encouraging to me, for it was unsolicited. In fact, I had wondered whether the brethren at Mayfair were in favor of our work or not. It does indicate a type of interest and a need that will likely assure success for our project if we act quickly enough.

I am also enclosing a copy of a letter that I received from Reuel Lemmons including his testimonial. Please pick up the phone and give me a call if it will speed up things at all. The brethren are making up their budgets. I am sorry that we couldn't get things moving faster, but it seems that it takes lots of time to coordinate a program involving widely separated individuals.

We are looking forward to your appearance on the campus here on November 21 and your talk with the elders at White Station. Please don't commit yourself to anything else until you have had a chance to see the possibilities here.

Kindest personal regards.

In His service,

George Gurganus
