Dear John,

Surely enjoyed being with you in Kansas City and Sedalia. I had some extremely profitable visits in the area after you all left.

About the workshop in that area - this wrinkle has developed. Could you stay over, Friday, October 14, in Kansas City, following your workshop that closes there on Thursday night? Kansas City needs the workshop badly, and I feel we could do a lot of good. We would want several from Abilene to come up for the meeting, too, if possible.

Now this is not to say that we should forget about the workshop in Jefferson City. I think we need one there, too, but we might use your free week in October for the meetings in Nebraska.

Let me hear from you as quickly as possible as we must make the plans now.

Yours in Christ,

Eugene B. Henderson
