Dear John Allen:

I talked with brother Edgar Orman last Wednesday and he asked me to advise you that the Graymere elders have already planned for you to be with us for both morning and evening services on December 18th. We are planning for a big day and are delighted that your schedule allows you to be with us. We have had a very good month in our Bible School attendance and naturally expect a record breaking day on December 18th.

We would like for you to plan two sermons directed primarily to the church. As soon as you decide on the sermon subjects I would like to have them for our advertising.

Things are looking pretty good for the Herald of Truth meeting on Monday night, December 19th. We are going to do our best to have the largest group ever to assemble in the interest of the Herald of Truth. I think brother Orman plans to come from Memphis for this night. Will you please let me know something about the way you would like for the meeting to be arranged. We are not planning a dinner type meeting. It is felt that more of the people throughout the county will come for a general meeting in the interest of the Herald of Truth.

I trust all is well with you and your family. Say hello to Mark Hicks for me.

Brotherly,

Ellis Coats
