Dear John,

I received your letter today concerning being on the Advisory Board of Mid-Western Children's Home and we would like very much for you to accept the position.

We are picking the people that will speak on that day and you will be contacted soon for one of the speakers. We will pay transportation for those who will be speaking and we hope that you will accept to be a speaker. By coming air you will be able to get back the same day. So please hold that day open for us. Your name is like gold in these hills and rightfully so.

The campaign to raise $250,000 looks real good and we should go over the top. The goal at Riverdale was $31,000 and in one week we got commitments for $27,000. We will meet the goal.

The influence you have with the members in this area will add much to the success of the Home.

Pray for the Home and its success.

Yours in Christian Love,
